

We are Re-Opening!

Dear guests and partners,

With great excitement, we would like to inform that we will officially re-open our doors to guests on 1st November 2020. After more than 6 months since the lockdown began, which has been met with so much uncertainty, we can finally look forward to welcoming guests to our beautiful home again.

As borders have opened and flights to the Galapagos resume, many considerations have been taken into account to adapt to these unprecedented times. Concerns about safety of our guests and staff have been the focus of our attention.

To decrease the risk and prevent further cases of COVID-19, the Ecuadorian government's Ministry of Public Health and the Ministry of Tourism have put in place specific regulations and entry requirements that must be followed.

Ecuador and The Galapagos are open and all nationalities are welcome. Additionally, there are no restrictions for American passport holders.

For more information please check out our Covid-19 page on our website.

Furthermore, during this time we have 2 offers available:

1. 20% discount of our rack rates to all guests who confirm reservations during the months of Sept-Dec for arrivals throughout 2020-21.*

Or

2. 1 extra night (b&b) complimentary for packages of 4-7 nights.*

**Conditions apply.*

As we take another step further into the new norm and while our lodge has always maintained very rigorous cleaning procedures and standards, we have also enhanced our hygiene protocols for guest tranquility. Pikaia Lodge guarantees to provide the same unique luxurious experience we have always extended to all our guests throughout their stay.

We completely understand and sympathize the position and pressure the public is under due to this overwhelming global pandemic. Once again, we would like to express our sincere gratitude for the support we have received from all the guests who have opted for rebooking at a later date.

Please rest assured we will offer the tranquility and safety that guests need to enjoy Pikaia Lodge's unique Galapagos adventure.

If you need further information or assistance, please feel free to contact one of our reservation agents at info@pikaialodge.com.

On behalf of the whole team at Pikaia, we can't wait to see you!

Kind Regards,

Andrew Balfour
